## FOREWORD

At a time when the average quality of the Shorthorn animal is at its highest, we invite you to look through this catalog and then to be with us on April 26th to inspect and to take part in the division of one of the outstanding groups of cattle that will be assembled for a consignment sale in 1954. Through the use of outstanding stock bulls and top females, through good management and fair dealing "the Wapak sale" and the breeders who consign to it year after year have provided the source for some of the most prolific and profitable Shorthorns that have been sold, bought and exhibited in this nation.

Each of the thirteen bulls in this 1954 sale is a potential herd sire of merit. The forty-three females offer many unique buying opportunities. Good pedigrees, good type, is a feature and you will note that several breeders have consigned groups of heifers carrying the pedigrees which affords you the chance to "buy" a proven breeding program.

Lastly, the show and sale will be held under ideal conditions of warmth and light and we shall do all possible to facilitate the handling of your purchases at the 38TH ANNUAL AUGLAIZE COUNTY SHORTHORN BREEDERS' SHOW AND SALE, Monday, April 26, 1954.

AUGLAIZE COUNTY SHORTHORN BREEDERS' ASSN.

B. L. Ohler, Sec'y.

**DRYNIE WONDER**, the great Willow Lee stock bull. "Sire Sensational" of Lot 1 in this sale. At the 1953 Ohio State Fair his get was: Grand Champion bull, res. champion junior female, first prize senior bull calf, junior bull calf, group of two bulls, senior heifer calf, pair-of-calves and second prize senior get-of-sire and first prize junior get.

At the 1953 "International" the Wonders made this record: First prize junior get-of-sire, first prize two bulls, first prize junior bull calf and third prize senior get-of. It was the second straight year that Wonder's won the junior get-of-sire class at the nation's greatest show of Shorthorns.

**DUNREL LEADER**—We feel is one of the better bulls we have ever offered. The record of his sire Shore Acres Dunrel is well known in Ohio having sired the champion female in the 1953 State sale, top bull and top animal in Georgetown sale, top bull in this sale. The dam of Dunrel Leader also has a fine record. She was a top heifer at \$1700 and the calf she was carrying proved to be a great sire—having a first and second prize animal at the great international. Another son Upright Goldspur was champion bull in this sale two years ago and sold to Dr. Smith at Harrisburg, Ohio for \$1,100. He has also made a fine account of himself and Dr. Smith tells us he has been very pleased with his development and with his calves. We are confident that Dunrel Leader will without a doubt be a successful sire—the performance of his ancestors is a guarantee.

DUNREL LAVENDER has depth and thickness. She is rugged in her bone and correct in her underpinning. This Lavender family has been dependable for us and we predict that this heifer will also make a good account of herself. She is safe in calf since October 31st to Dunrel Air Pilot. We have eight very nice heifer calves by this bull and I am sure you will hear more about him in the next year or so. We sold him last fall to Garson Farms near Indianapolis. Vaccinated.

UPRIGHT BEAUTY A is a very growthy heifer out of the same cow as Dunrel Beauty—a heifer we sold in last year's sale for \$600. We sold the grandmother of this heifer in the Wapak sale several years ago to George N. Fisher and Sons for \$1325. She proved a good investment since she was carrying the sire of Upright Beauty A. Rothes Upright then as a two year old was the champion sale bull at this sale and sold for \$1975. We bred this heifer a little young since she was very growthy. She carries a long service date since Jan. 2 to Shore Acres Dunrel. Our top bull last year was of this same family. Here is a heifer of average quality but has the breeding to be a brood cow. Vaccinated.

She comes of one of our best families. Vac. and will be bred to Greenwood Bayardo. (See Reference Sire).

We invite you to take special note of lots 39, 40, 41, and 42. Here are four outstanding daughters of Woodshade Upright which we have reluctantly consigned as a feature of this great sale. These heifers are much alike on paper and each carries the quality and potential that should appeal to a new breeder wishing to get started right or an established breeder wishing to lay in some good females to breed to a proven stock bull. Note all are open and of age to breed immediately or in the very near future. We know this is a "unique buyers opportunity."
